In addition, we may pass on any and all sales taxes, compliance fees and the like that we incur in the process of providing the Web Services to the Customer and its Invited Users.
- 17.5 Should the Customer not make timely payment to us of any amount payable hereunder, in addition to the remedies available to us we may collect interest on the sum then owing at the rate of 1.5% per month from the due date until payment by the Customer is received; provided, however, that in no event shall the aggregate interest charges exceed the maximum rate of interest which could be charged under applicable law.
- 17.6 If a party fails to comply with any material provision of the Agreement, the non-defaulting party may terminate the Agreement and any and all rights upon fifteen (15) days' notice to the defaulting party specifying any such breach, unless within the period of such notice, all breaches specified therein shall have been remedied. A failure by us to comply with our obligations under the Agreement relating to the protection of the confidentiality, integrity and security of User Data is deemed to be a failure by us to comply with a material provision of the Agreement.
- 17.7 There will be no refunds of any payments made in advance whatsoever. With appropriate notice we will stop any future scheduled payments following termination by the Customer.

21 Warranties and Liability.

- 21.1 In no event shall our maximum aggregate liability arising under or in connection with the Agreement or the Web Services whether in contract, tort (including negligence), breach of

statutory duty or otherwise, exceed the total of subscription fees payable by you in the three (3) months immediately preceding the claim for such liability.

21.2 In no event shall we be liable under or in connection with the Agreement or the Web Services to anyone for any loss of data, revenue, profits, use or other economic advantage or for any indirect, punitive, special, exemplary, incidental, or consequential damages of any type or kind, including without limitation the use or inability to use the Web Services, or for any content obtained from or through the Web Services, any interruption, inaccuracy, error or omission, regardless of cause, even if we have been previously advised of the possibility of such damages.

21.7 You agree and represent that you are acquiring the Web Services, and entering into the Agreement, for the purpose of a business. The parties agree that the New Zealand Consumer Guarantees Act 1993 or any other relevant consumer protection legislation does not apply to the supply of the Web Services or the Agreement, and that it is fair and reasonable that the parties are bound by this clause 21.6.

21.8 Where legislation or rule of law implies into the Agreement a condition or warranty that cannot be excluded or modified by contract, the condition or warranty is deemed to be included in the Agreement. However, our liability for any breach of that condition or warranty is limited, at the our option, to (i) supply the relevant Web Services again; and/or (ii) paying the costs of having the relevant Web Services supplied again.
